

Why Choose a Personalized Home?

A New West Custom Concepts' **Personalized Home** offers the perfect balance of convenience and customization, allowing you to jump-start the build process by approximately six months. The initial design, permitting, foundation, and framing are already completed, so you can begin personalizing at the rough-in stage—where wiring and plumbing are installed before walls are closed up.

If you're looking for a quicker build process and a faster move-in date—with the added benefit of tailoring your home to your design preferences—our **Personalized Homes** might be the perfect choice for you!

What Can I Personalize?

While the structure and exterior shell of your Personalized Home are already complete, you have the freedom to customize all the finishes to match your tastes and needs, including:

- Doors
- Room Designation
- Staircases
- Mouldings
- Plumbing
- Ceiling Finishes
- Paint
- Wall Coverings
- Cabinetry
- Countertops
- Flooring
- Lighting
- Custom Built-ins
- Window Coverings
- Home Automation
- Appliances
